

Astana Medical University

Department of Academic Affairs

Timetable for Frontal Classes
Educational Program: "MEDICINE"

Academic year: 2025-2026

Course: 1

Semester 1: 01.10.2025-09.01.2026

Exam session: 12.01.2026-23.01.2026

Winter break: 26.01.2026-08.02.2026

Duration of a class hour: 50 минут/min

Duration of the break: 10 минут/min

Апта күндері / Days	Уақыты / Время	flow 10
		Group 160
Monday	8.00-8.50	Basics of anatomy lecture 1-8 week
	9.00-9.50	Basics of anatomy practical classes 1-15 week.
	10.00-10.50	Basics of anatomy practical classes 1-15 week.
	11.00-11.50	Basics of anatomy practical classes 1-2 week.
	12.00-12.50	Physical education practical classes 1-15 week.
	13.00-13.50	Physical education practical classes 1-12 week.
	14.00-14.50	
	15.00-15.50	
	16.00-16.50	
Tuesday	8.00-8.50	
	9.00-9.50	Basics of human histology and embryology lecture 1-8 week.
	10.00-10.50	Medical chemistry lecture 1-6 week.
	11.00-11.50	
	12.00-12.50	Basics of human histology and embryology practical classes 1-15 week.
	13.00-13.50	Basics of human histology and embryology practical classes 1-15 week.
	14.00-14.50	Basics of human histology and embryology practical classes 1-2 week.
	15.00-15.50	
	16.00-16.50	
Wednesday	8.00-8.50	History of Kazakhstan practical classes 1-15 week.
	9.00-9.50	History of Kazakhstan practical classes 1-15 week.
	10.00-10.50	History of Kazakhstan practical classes 1-10 week.
	11.00-11.50	
	12.00-12.50	
	13.00-13.50	
	14.00-14.50	
	15.00-15.50	
	16.00-16.50	History of Kazakhstan lecture 1-10 week Onlin
Thursday	8.00-8.50	
	9.00-9.50	Basics of biomedicine lecture 1-6 week.
	10.00-10.50	Basics of biomedicine practical classes 1-15 week.
	11.00-11.50	Basics of biomedicine practical classes 1-9 week.
	12.00-12.50	
	13.00-13.50	
	14.00-14.50	Kazakh language practical classes 1-15 week.
	15.00-15.50	Kazakh language practical classes 1-15 week.
	16.00-16.50	Kazakh language practical classes 1-10 week.
Friday	8.00-8.50	
	9.00-9.50	
	10.00-10.50	Medical chemistry practical classes 1-15 week.
	11.00-11.50	Medical chemistry practical classes 1-9 week.
	12.00-12.50	
	13.00-13.50	Basics of physiology lecture 1-8 week
	14.00-14.50	Basics of physiology practical classes 1-15 week.
	15.00-15.50	Basics of physiology practical classes 1-15 week.
	16.00-16.50	Basics of physiology practical classes 1-15 week.
17.00-17.50		

№	Abbreviated nme of the discipline		Name discipline	Form of control		Chairs/SRI
1	Basics of cellular mechanisms	Basics of biomedicine	Basics of biomedicine	Exam	Integrated Exam	Department of Medical Genetics and Molecular Biology / 49 Beibitshilik str., 3rd floor
2		Medical chemistry	Medical chemistry	Exam		Department of general and biological chemistry / 49 Beibitshilik str., 4 th floor
3	History of Kazakhstan		History of Kazakhstan	Exam		Department of social and human sciences / 33 Saryarka Ave., 8th floor
4	Physical education		Physical education	Diff. credit		Department of Physical Culture and Sports / 51 Beibitshilik St., 1st floor, gym
5	Kazakh language		Kazakh language	Exam		Department of Philological Disciplines / 47 Abay St., 11th floor
6	Basics of morphology and physiology	Basics of anatomy	Basics of anatomy	Comprehensive Exam		Department of Human Anatomy named after A.B. Aubakirov / 33 Saryarka Ave., 2 nd floor
7		Basics of physiology	Basics of physiology			Department of normal physiology / 33 Saryarka Ave., 6th floor
8		Basics of human histology and embryology	Basics of human histology and embryology			Department of histology and cytology / 49 Beibitshilik str., 3rd floor

Director of the Department of Academic Affairs

A. Shakeeva

Specialist of the Department of Academic Affairs

Sh. Kazybekova
